

STCC Announces January Admissions Events

Area residents will have several opportunities in January to register for spring semester classes at Springfield Technical Community College.

Super Saturday admissions events will be held on January 9 and 16 from 9:00 a.m. to 3:00 p.m., when individuals may apply to the college, submit official academic records, be admitted to the college, schedule their classes with an advisor, meet with a financial aid representative if desired, all on the same day. On Saturday, January 9, college staff will welcome prospective students in the Admissions office on the first floor of Garvey Hall. The second Super Saturday event, January 16, will be held in the gymnasium in Scibelli Hall.

Open registration for spring semester classes will be held in the Scibelli Hall gym from Tuesday, January 19 through Friday, January 22. Hours are Monday through Thursday 8:00 a.m. to 7:00 p.m., and Friday, 8:00 a.m. to 4:00 p.m. During open registration, an individual can apply to the college, submit any required official records, complete any required assessment test, schedule classes with an advisor, meet with a financial aid representative if desired, and pay their bill.

STCC offers classes leading to 86 different associate degree or certificate programs, in health; business and computer information technology; engineering technologies; math, science and engineering transfer; liberal arts and general studies; arts, humanities and social sciences; and nursing.
