

**Springfield Technical Community College  
Diagnostic Medical Sonography Program  
Pre Application Guide**

|                                                                                                                                                                        |                                                                                                                                                                                    |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>NOTE: This pre-application guide is not the application to the program. If you are ready to apply to this program you MUST submit a separate online application</b> | ____ After reviewing this document, if you meet the requirements, visit <a href="http://www.stcc.edu/apply">www.stcc.edu/apply</a> to submit an online application to the program. |
| Official High School Transcript, HiSet or GED                                                                                                                          | ____ Official document provided                                                                                                                                                    |
| <b>Math</b> -Completion of college level math (100 or higher) such as <b>MAT-124*</b> with a grade of C or better.                                                     | Course name/number:<br>Where/when taken:<br>Grade:                                                                                                                                 |
| <b>Biology</b> -Completion of A & P 1, BIO 231/231L or its equivalent (with a grade of C or better within 5 years)                                                     | Course name/number:<br>Where/when taken:<br>Grade:                                                                                                                                 |
| <b>English</b> - completion of ENG-101 (or its equivalent) with C or better                                                                                            | Course name/number:<br>Where/when taken:<br>Grade:                                                                                                                                 |
| <b>Medical Terminology</b> -completion of MED-100 or its equivalent) with a C or better                                                                                | Course name/number:<br>Where/when taken:<br>Grade:                                                                                                                                 |
| <b>Physics</b> -college level general Physics (PHY221/221L recommended) C or better within 5 years of fall semester of program entry *                                 | Course name/number:<br>Where/when taken:<br>Grade:                                                                                                                                 |
| One page essay                                                                                                                                                         | ____ Essay submitted with application                                                                                                                                              |

**\*MAT 124 is a prerequisite to PHY-221 and is required before taking Physics**

**Additional Information-Applicants who earn A- in the following courses will strengthen their application. Complete all columns, indicate if you repeated or withdrew from any of the courses.**

| Course                          | Grade | Year | Repeat/Withdrew | Where was it completed? |
|---------------------------------|-------|------|-----------------|-------------------------|
| College level A & P 2 *         |       |      |                 |                         |
| College level Math              |       |      |                 |                         |
| College level Med Term          |       |      |                 |                         |
| College level English           |       |      |                 |                         |
| College level Physics*          |       |      |                 |                         |
| College level Sectional Anatomy |       |      |                 |                         |

\*must be current within 5 years from the start of the program.

- ✓ **Do you have direct or indirect healthcare experience? If yes, complete the Direct/Indirect Health Care Experience form.**
- ✓ **Prepare a one page essay stating why you want to be a sonographer.**

**This form serves as a guide for your personal use as you prepare to submit an STCC application. Please refer to the program website for detailed information.**
