

**COVID-19 Campus Repopulating Work Group**  
**June 19, 2020**

**Present:** Christopher Scott, Denise Hurst, Darcey Kemp, Joseph DaSilva, Jonathan Miller, Kathryn Senie, Kerri Kane, Deb Avery, Joe Rivera and Theresa Przybylowicz.

The meeting began with Kerri Kane presenting a draft copy of the STCC Repopulating Plan. Will be presented to Cabinet on Monday along with questions drafted by KC and Darcey.

Jonathan Miller recently attended a meeting with AIC and Springfield College. Both plan to have dorms ready for occupancy in August, 2020.

As requests for buildings to open come in, how will we determine if it is feasible? Chris Scott – will have to identify one person to monitor each program that is on campus. Stressed that it is very important that the individual who will fill Mario's role (from the pilot program) is identified before any program is allowed back on campus. The WDC CNA program can fit into Bldg. 20 if they are flexible in times of class. Chris also noted that Bldg. 20 is getting very warm. Deb Avery (Facilities) will speak to Tom Therrien to try to correct this.

Joe DaSilva noted that bldgs. 2, 17, 32, 20 and Tech Park will be open in the fall. Must be very cautious about opening buildings over the summer. Darcey suggested that any building that opens should follow Chris' pilot program model which is working very well.

The draft plan from WTCC was reviewed. Denise Hurst provided some background on the radio station. They are eager to get back on campus. Denise and Joe DaSilva recommend allowing only DJ's back on campus at this time. In addition, they will be responsible for disinfecting after themselves, no visitors allowed and limiting the number of DJ's. KC suggested shooting for mid-July for back on campus.

The NPS would also like to reopen the campus green for walkers. Joe noted that we are still closed to the public at this time.

Civil Service Exams – Kerri is calculating man hours to determine final cost. Group would have to do all the necessary steps to come on campus – temperature check, videos, etc.

**Action Items**

- Jonathan will review symptom monitoring section of the draft
- Kerri will review google docs with KC
- Final version of attestation form will be sent to Cliff/IT
- Denise will type up points to review with Cabinet regarding radio station reopening
- Policy will be developed regarding the work from home decision

**Date of upcoming meetings**

June 23 – 11:00

June 26 – 1:00
