B20 and B17, Tech Park to be fill ins. 7a-6p. Working toward a consistent schedule. JM – restricted access list. Needs to go through Colleague somehow. Cliff is working on this. Flag or indicate them but keep them on the roster. ● On-campus student parking for classes Beginning Tuesday, October 13, students can park on campus after 3pm DK – let's cross-check and make sure we are consistent with the web. Darcey to send a communication on TU. ● *Pearl St. Pedestrian Gate Can keep the pedestrian gate open (3PM – 6PM) so students can get directly to the lot. Can request an escort if students feel unsafe. *KC to run this by JBC prior to communicating to students. DK – will send a draft to chief for him to review re: pedestrian gate and escorts. 	Workgroup/guests
1:45 pm – 2:00 pm	<p>Other items to review/consider:</p> <p>KP – wrist band inventory to be monitored by facilities and JG/STCC Squad.</p> <p>JM – Do a student survey to see what is working for them and what could be improved.</p> <p>DK – there was New Student survey geared toward the value stream work. Included an open ended question. DK's area is following up on these. Can do a wider sample of all students. Need to develop content.</p> <p>JG – will we continue to do check-in tables? It is our understanding that STCC will continue low density model through the Spring.</p> <p>KC - Testing into the future (beyond current AMR contract). What will that look like? DK – many colleges are not doing surveillance testing or a very slim version of it. (Article for the group to be sent out.)</p> <p>DK, JM - CARES timeline for spending. Look into what they are and when they expire.</p> <p>KC – laptops (Technology Committee) A topic for discussion there but needs to come back through this group as FYI. CP - COVID drove this group to come together and they continue to meet. Wide, diverse group.</p> <p>KC – Tech and Training Support Group - Info sharing between</p>	Workgroup and/or guests

	the committees.
