### Discussion Points

- The latest Higher Education control plan still indicates six feet social distancing for colleges. Seems to be directed to residential campuses. Will verify with DHE.
- Will vaccines be administered at STCC? KC noted that although the College applied to be a vaccine site, we were not accepted.
- Fall registration numbers are very tentative at this point. Seems that classes that are being offered on campus are not being chosen as readily as online. Possibly students who were once not comfortable with online format are now comfortable. Helpful if childcare is an issue.
- Buildings to be open in the fall – B2, B13 (1<sup>st</sup> and 2<sup>nd</sup> floor only); B14, B15, B17, B20, B32 and Tech Park – possibly B19, B7 and B8 (if staff return). Deb Avery will diagram the buildings open at the next meeting.
- Marketing will put out a video encouraging students and staff to get the vaccine.
- HR will be sending out an update email to the campus. Any ideas on what to include?
  - When will we be back in the office? Telework/remote work – who is expected to be on campus?
  - If fully vaccinated, do we need to check in still?
  - Update on cleaning process
  - Reiterate that masks must be worn. Masks and hand sanitizer will be available at STCC
