COVID-19 Campus Repopulating Work Group
Minutes
July 13, 2021

Present:  David Buonora, Douglas Slavas, Chief Rivera,  KC Senie, Darlene O’Brien, Erica Eynouf, Jeremy Greenhouse, Matt Gravel, Kerri Kane, Deb Avery, Renee Maroney, Chester DeGray, Darcey Kemp, Jenkin Gould, Keith Paul, John Reynolds, Mary Kaselouskas, Patrick Dawes, Dr. Shai Butler

Discussion Points

- Deb Avery informed the committee that the Facilities front desk hours have been changed to 6:30-2:30.

- An update of Facilities projects will be sent to campus in the near future.

- The Library hours of operation are as follows – Monday to Thursday 8:00-5:00; Friday 8:00 until the building closes and remote services available on Saturday.

- Opening of the student lounges in the fall was discussed. The committee was in favor of opening the lounges with hand sanitizer and wipes available.

- A discussion took place regarding the cleaning of computer equipment. Facilities has never cleaned this in the past – it has always been IT’s responsibility. Mary K noted that keyboard covers can be used. Cost range is $8-$20 per cover. It is more cost effective to get wipes to use on keyboards/mouse. Darlene O’Brien noted that the Dental Clinic uses disposable keyboard covers. She will forward the information to IT/Facilities. A follow up of this subject will be discussed at next week’s meeting.

- Kerri Kane gave an update on campus events. Requests are fairly slow at this time.

- Matt Gravel presented an enrollment update. There are 353 credits with an onsite component (some are hybrid). A total of 1,310 students and 133 faculty are expected to be on campus this fall.
