HOW TO APPLY FOR THE GATEWAY TO COLLEGE PROGRAM

Step 1: Attend an Information Session

Information sessions provide an opportunity for students and parents/supporters to find out more about the Gateway to College program, expectations, and benefits, and also presents an opportunity to ask questions as they relate to the program and its admissions process.

Step 2: Placement Testing (By appointment only, GtC staff will give you the date and time)

The College Placement Test provides students the opportunity to show that they have the reading, writing, and math skills necessary to achieve success in a college environment. Students must arrive on time and will need picture identification and their social security number to complete the testing. Acceptable identification may include a driver’s license, school ID, etc.

Step 3: Complete and return the Application only if asked to do so

Please wait to receive a call from the Gateway staff. If you score at an eighth grade level or higher, you will be asked to submit a completed application to the Gateway office (Bldg 16, Room 285) with all required documentation. Please note that some of the required information requires completion and signature by a parent or legal guardian (if the student is under 18) and authorized high school representatives.

- Complete all applicable sections and SIGN the application
- Complete all THREE essays
- Provide an official high school transcript from all high schools attended
- Complete the Consent to Release Information Form
- Submit a completed School District Information Form
- Provide proof of MA medical insurance coverage
- Submit a completed Recommendation Form

Step 4: Student’s name will be submitted to Springfield Public Schools for approval

Step 5: Student will be scheduled for a Personal Interview

After completing the college placement test, and receiving approval from Springfield Public Schools, students who meet eligibility requirements will be scheduled for a personal interview. Staff members will use the interview as an opportunity to get to know the student better, and learn about his/her strengths, weaknesses, and concerns. Students will also be able to ask questions during the interview.

Step 6: Selection Committee Review

The Selection Committee will review all applications. Acceptance to the program is not guaranteed. Space is limited.

The Selection Committee will evaluate applicants and materials based on the following criteria:

Applicants must meet ALL eligibility requirements.

- Applicants must achieve at least the minimum standard score on testing.
- Applications, including essays, must be complete and submitted by the deadline date.
- Applicants must take part in a personal interview.
