Student Health Record Requirements – Non-Health Programs

This form is available online at: www.stcc.edu/healthservices

This form lists the state required vaccination records for all full-time students*, pursuant to M.G.L. Chapter 76, Section 15C, and 105 Code of Massachusetts Regulations 220.600. Students with incomplete health records will not be permitted to enroll in future full-time coursework.

Due by the 1st Day of Classes	<input type="checkbox"/> Student Health History Form: required of all students enrolled at Springfield Technical Community College and must be updated every two years.
	<input type="checkbox"/> Immunization/Immunity Records: <ul style="list-style-type: none"> <input type="checkbox"/> tetanus, diphtheria and pertussis (TDaP) vaccination required within the past 10 years <input type="checkbox"/> measles – evidence of two live vaccine doses or immune titer results required <input type="checkbox"/> mumps – evidence of two live vaccine doses or immune titer results required <input type="checkbox"/> rubella – evidence of two live vaccine doses or immune titer results required <input type="checkbox"/> hepatitis B – evidence of three vaccine doses or immune titer results required <input type="checkbox"/> varicella (chickenpox) – two vaccine doses, immune titer results, or documented history of disease required <input type="checkbox"/> meningitis – Menveo or Menactra dose required after 16th birthday for all students between 16 – 21 years old (these vaccines are known as MenACWY, formerly listed as MCV4) <u>or</u> signed meningitis waiver form <input type="checkbox"/> influenza – Recommend for all students during influenza season <p>TITERS: If a titer is drawn, the student is required to submit the lab report to the Health and Wellness Center. Any result that is negative/indeterminate/equivocal will be considered a negative result and the student will be required to be revaccinated with the complete series of vaccinations for which a negative titer is received.</p>

* Full-time is considered to be 12 or more credits. Students enrolled in certain majors involving a clinical component and/or an off-campus affiliation will have additional health record requirements and should not use this form. These additional requirements are based on state law, college policy and affiliation site requirements.

Majors requiring additional Health Records:

- all programs within the School of Health and Patient Simulation
- Certain Workforce Training Programs:
 - Certified Nurse Assistant (CNA)
 - Emergency Medical Technician (EMT)
 - Phlebotomy
- Early Childhood Education (CHLD)
- Health Information Technology (HIM)

Forms specific for these programs are available at our website: www.stcc.edu/healthservices.
