## Student Health Record Requirements – Non-Health Programs

This form is available online at: [www.stcc.edu/healthservices](http://www.stcc.edu/healthservices)

This form lists the state required vaccination records for all full-time\* students, pursuant to M.G.L. Chapter 76, Section 15C, and 105 Code of Massachusetts Regulations 220.600. Students with incomplete records will not be permitted to enroll in future full-time coursework.

<b>Due by the 1<sup>st</sup> Day of Classes</b>	<input type="checkbox"/> <b>Student Health History Form:</b> required of all students enrolled at STCC and must be updated every two years.
	<input type="checkbox"/> <b>Immunization/Immunity Records:</b> required of full-time students less than 30 years of age.  <b>NOTE:</b> Students taking all on-line courses, with no chance of being on campus, are not required to submit immunization records. However, if these students come to campus for any reason, proof of immunization is required.  <input type="checkbox"/> <b>tetanus, diphtheria and pertussis (TDaP)</b> vaccination required within the past 10 years <input type="checkbox"/> <b>measles</b> – evidence of two live vaccine doses or immune titer results required <input type="checkbox"/> <b>mumps</b> – evidence of two live vaccine doses or immune titer results required <input type="checkbox"/> <b>rubella</b> – evidence of two live vaccine doses or immune titer results required <input type="checkbox"/> <b>hepatitis B</b> – evidence of three vaccine doses or immune titer results required <input type="checkbox"/> <b>varicella</b> (chickenpox) – two vaccine doses, immune titer results, or documented history of disease required <input type="checkbox"/> <b>meningitis</b> – Menveo or Menactra dose required after 16 <sup>th</sup> birthday for all students between 16 – 21 years old (these vaccines are known as MenACWY, formerly listed as MCV4) <u>or</u> signed meningitis waiver form  <input type="checkbox"/> <b>influenza</b> – Recommend for all students during influenza season  <b>TITERS:</b> If a titer is drawn, the student is required to submit the lab report to the Health and Wellness Center. Any result that is negative/indeterminate/equivocal will be considered a negative result and the student will be required to be revaccinated with the complete series of vaccinations for which a negative titer is received.

\* Full-time is considered to be **12 or more credits**. Students enrolled in certain majors involving a fieldwork component will have additional health record requirements and should not use this form. These additional requirements are based on state law, college policy and fieldwork site requirements.

**Majors requiring additional Health Records:**

- **All programs within the School of Health and Patient Simulation (except; FIRE, MCBS, MEDC)**
- **Workforce Training Programs in Healthcare, including:** Certified Nurse Assistant (**CNA**), Emergency Medical Technician (**EMT**), Phlebotomy (**PHLB**), and Dental Radiology (**DENT**)
- **Behavioral Science (APSY/HSSW)**
- **Early Childhood Education (ECTR, CDA)**

The Health & Wellness Center may be able to assist you in either obtaining your records or updating your immunizations. The office is located in Building 19, room 177. The office numbers are (413) 755-4230 phone, (413) 755-6045 fax. The STCC Student Immunization and Health Record Policy, all required health forms, additional information and a listing of services provided can be found at: [www.stcc.edu/healthservices](http://www.stcc.edu/healthservices). Documents can also be submitted electronically through the [STCC portal](#).

Forms specific for these programs are available at our website: [www.stcc.edu/healthservices](http://www.stcc.edu/healthservices).
