### Health Requirement Checklist Certified Nurse Assistant Program (WCNA)

(continued from the previous page)

- All submitted documentation must include full name, date of birth, date administered or date of exam or date of test. Lab reports must include the date of test, reference range and result.
- Dynamic forms are submitted automatically upon completion.
  - To submit your health record documentation to the <u>Workforce Dropbox</u>, <u>https://tinyurl.com/2p8u4svy</u>, you must first create a Dynamic Forms account using your personal email address. If you do not have access to your student ID you may use (0000000) or contact the Workforce Development Center at 413-755-4225 or our office for assistance by phone (413)755-4230 or by <u>LIVE CHAT</u>.
  - Parking, textbook and class information inquiries may be directed to the Workforce Development Center at (413) 755-4225.

# For more information (office hours, physical exam and tuberculin skin test appointment availability), contact the Health & Wellness Center at <a href="mailto:stcc.edu/healthservices">stcc.edu/healthservices</a>.

#### Understanding your titer blood test results

- Positive/Reactive means you have immunity.
- Negative/indeterminate/equivocal means you are not immune.
  - 1. Submit lab report
  - 2. Obtain vaccination and submit documentation
  - 3. Submit a <u>Health Requirement Deadline Extension Request</u>. Provide a dated plan for revaccination (series or booster) and forecasted second titer date (if applicable) via email to: <u>compliance@stcc.edu</u>.

Deadlines for record submission are set by the Workforce Development Center and must be submitted on time. Failure to meet the requirements set above may result in removal from the program. Extensions to deadlines are granted in certain situations such as when the student is in the midst of completing a certain vaccination series. Deadline extension requests must be submitted in writing to Health Compliance. All requests will be reviewed on a case by case basis. Submission of a deadline extension request does not guarantee an extension will be granted. Students may be excluded from fieldwork or clinical affiliations until requirements are met.

### **Student Background Record Check Policy**

Background record checks are required for College programs involving potentially unsupervised contact with children, the disabled, or the elderly, including fieldwork (a clinical affiliation, internship, externship, or field placement) with a private or public healthcare provider or daycare provider. Such checks include data provided by the Massachusetts Department of Criminal Justice Information Services (DCJIS); the Office of Inspector General/General Services Administration (OIG/GSA); the Massachusetts Department of Children and Families (DCF); the Massachusetts Sex Offender Registry Board (SORB); the state and national fingerprint databases; as well as all relevant state and national criminal history, child welfare and sex offender registries, databases and repositories. The purpose of the background check is to ensure a safe and protective environment for all clients, particularly members of vulnerable populations.

Students choosing not to consent to the required background checks will be ineligible to participate in fieldwork involving vulnerable populations. Ineligibility to participate in fieldwork may affect a student's ability to successfully complete the program.

Based upon the results of the background record check, a student may be deemed ineligible to participate in academic or fieldwork activities, which may impact a student's ability to successfully complete program requirements. Background record checks are reviewed by the College's CORI Board. The CORI Board determines eligibility to participate in academic and/or fieldwork activities. Students have the right to appeal the determination of the CORI Board by filing a written appeal with the Vice President of Student Affairs within 10 business days of receiving the CORI Board's determination.

Furthermore, please be advised that eligibility to participate in College academic and/or fieldwork activities following a background record check does not guarantee eligibility to sit for a professional credentialing examination(s) or for employment upon program completion. It is the student's responsibility to contact the certification or licensure board for a particular healthcare or other service profession to determine the standards that must be met for credentialing, licensing and/or employment in that field.

Dear School of Health & Patient Simulation, Workforce Development, Early Childhood Education and Behavioral Science Students:

Background record checks are required for College programs involving potentially unsupervised contact with children, the disabled, or the elderly, including fieldwork (a clinical affiliation, internship, externship, or field placement) with a private or public institution or facility. Such checks include data provided by the Massachusetts Department of Criminal Justice Information Services (DCJIS); the Office of Inspector General/General Services Administration (OIG/GSA); the Massachusetts Department of Children and Families (DCF); the Massachusetts Sex Offender Registry Board (SORB); the state and national fingerprint databases; as well as all relevant state and national criminal history, child welfare and sex offender registries, databases and repositories. The purpose of the background check is to ensure a safe and protective environment for all clients, particularly members of vulnerable populations.

Students with certain convictions or pending court actions and/or those choosing not to consent to the required background checks will be ineligible to participate in fieldwork involving vulnerable populations. Ineligibility to participate in fieldwork may affect a student's ability to complete the program.

The College's CORI Board determines eligibility to participate in fieldwork activities. Students have the right to appeal the determination of the CORI Board by filing a written appeal with the Vice President of Student Affairs within 10 business days of receiving the CORI Board's determination.

Furthermore, please be advised that eligibility to participate in College academic and/or fieldwork activities following a background check does not guarantee eligibility to sit for a professional credentialing examination(s) or for employment upon program completion. It is the student's responsibility to contact the certification or licensure board for a particular healthcare or other service profession to determine the standards that must be met for credentialing, licensing and/or employment in that field.
