- All documentation must include full name, date of birth, date administered or date of exam or date of test.
  - Lab reports must include the date of test, reference range and result.
- Visit the Health Compliance webpage for resources to aid in submitting documentation in good order.
- The Health Compliance STCCNet portal page contains many of the electronic forms listed above.

Understanding your titer results:

- Positive/Reactive means you have immunity.
- Negative/indeterminate/equivocal means you are not immune.
  1. Submit lab report to the Health and Wellness Center
  2. Obtain revaccination and submit documentation
  3. Submit Health Requirement Deadline Extension Request via Eform. Please provide a dated plan for revaccination (series or booster) and forecasted second titer date.

Students are encouraged to obtain and complete the immunity requirements when applying to the program. By doing so, upon acceptance, the student will be in compliance with these deadlines. The deadlines for record submission are set forth by the Dean of the School of Health and Patient Simulation and must be submitted on time. Failure to meet the requirements set above may result in removal from the program. Extensions to deadlines are granted in only certain situations (i.e. late admission to a program, in the midst of some vaccination series). Deadline requests must be made in writing to the Director of Health Compliance using the Health Requirements Deadline Extension Request Form. All requests will be reviewed on a case by case basis but are not guaranteed. Students may be excluded from fieldwork or clinical affiliations until requirements are met.

Student Physical Exam Attestation – Dental Hygiene

This form is required for students in the Dental Hygiene program, within the School of Health & Patient Simulation. Other majors and student athletes need to complete a separate form.

Name: ___________________________ Date of Birth: ___________ STCC ID#: ___________ Exam Date: ___________

Prior to performing the physical exam, please review the Programmatic Technical Standards listed on the following page which lists the essential functions of practical work on campus and fieldwork off campus. It should be noted that under the Americans with Disabilities Act, “A qualified person with a disability is one who can perform the essential function of a job with or without reasonable accommodation.”

Programmatic Technical Standards – Dental Hygiene (see reverse side for Programmatic Technical Standards)

Based on your examination findings and the Programmatic Technical Standards please indicate the disposition of the student:

☐ Cleared for all classroom/lab/fieldwork participation without restriction

I have examined the above-named student and reviewed the Programmatic Technical Standards. The student does not present apparent clinical contraindications to fully participate in the program as outlined on this form.

☐ Cleared for participation with the following restrictions/recommendations Note: Any listed restrictions/recommendations will be reviewed by the College to determine whether there are accommodations that can be made to assist in meeting the technical standards. Students with a qualifying disability under the Americans with Disabilities Act are encouraged to register with the STCC Office of Disability Services (ODS) to determine their eligibility for reasonable accommodations under the law. ODS is located in Building 19, Room 141 and can be reached at (413) 755-4785:
