

Logging on

SINGLE SIGN ON (SSO)

Single Sign on has recently been enabled. Passwords are synched so you have fewer passwords to remember. The **STCC Username and Password** (formerly known as the WebAdvisor credentials) will be the primary Username and Password to remember. This replaces the password for Blackboard, Zoom, Email, computers, and STCCNet. When logging onto a computer you will be directed to the ADFS login screen.

Sign in with your STCC account

Sign in

[Sign in using your operating system account](#)

Once you log into ADFS, you should not need the other passwords for the duration of your session.

BLACKBOARD

To log onto [Blackboard](#) skip the username and password and select third party account. Then select STCC Account Login

STCC Account Login

ZOOM

To log into [Zoom](#) skip the Email address and password and select SSO. Then type in “**stcc-edu**” in company domain field.

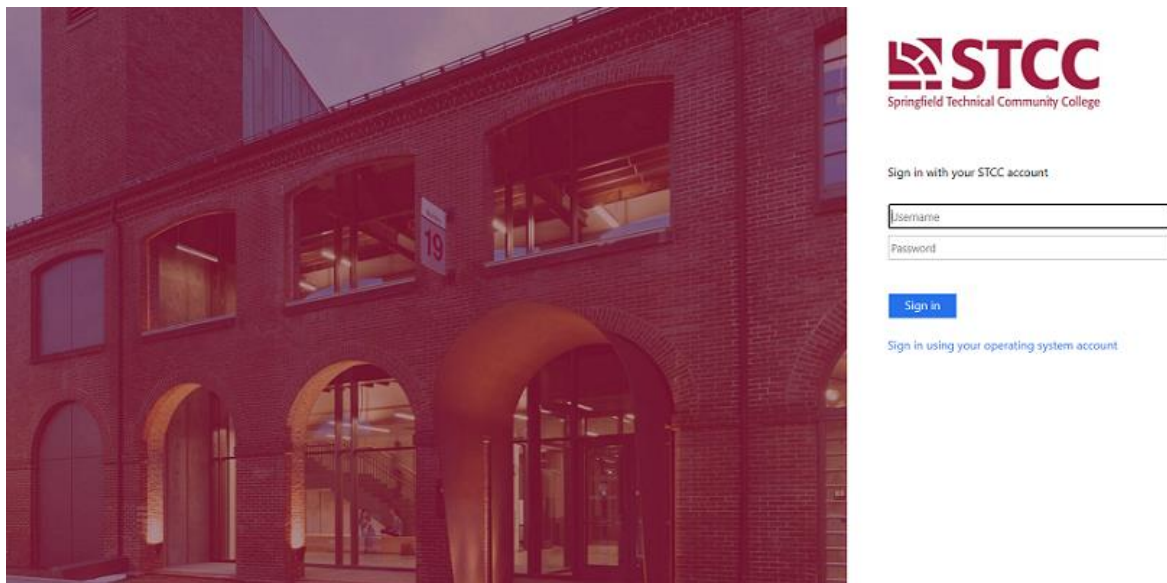

The image shows two screenshots of the Zoom login process. The left screenshot is the 'Sign In' page, featuring fields for 'Email Address' and 'Password', a 'Sign In' button, and a 'Stay signed in' checkbox. Below these are options to sign in with SSO, Google, or Facebook. The SSO icon is circled in red. The right screenshot is the 'Sign In with SSO' page, with a 'Company Domain' field containing 'Your company domain' and a '.zoom.us' suffix. A red arrow points to this field. Below the field is a 'Continue' button and a link for 'I don't know the company domain'.

WEBADVISOR

To log into WebAdvisor go to [stcc.edu](#), select etools, then WebAdvisor. Select Log In.

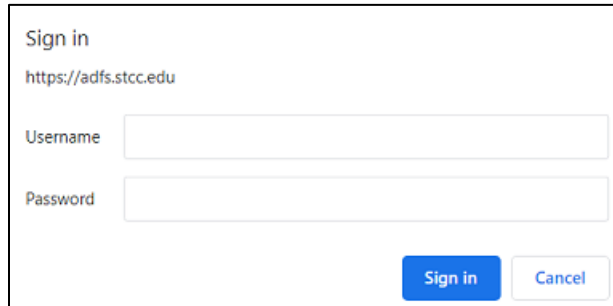

You will be redirected to the ADFS page. Enter your username and password, then Sign in.

The image shows the STCC WebAdvisor login page. The background is a red-tinted photograph of a brick building with arched windows. On the right side, there is a login form. At the top right is the STCC logo (Springfield Technical Community College). Below it, the text 'Sign in with your STCC account' is followed by two input fields: 'Username' and 'Password'. A blue 'Sign in' button is positioned below these fields. At the bottom of the form, there is a link that says 'Sign in using your operating system account'.

STCCNet

To log into the portal go to stcc.edu, select etools, then STCCNet Portal. You will get the ADFS dropdown screen. Type in your username and password then Sign in.

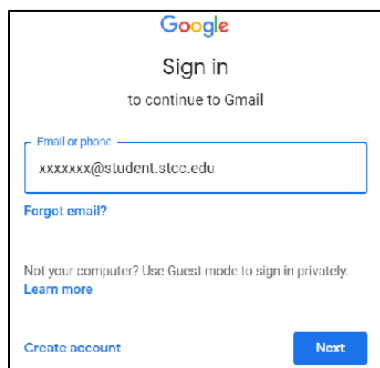

The screenshot shows a sign-in page with the following elements:

- Text: "Sign in"
- Text: "https://adfs.stcc.edu"
- Text: "Username" followed by an empty text input field.
- Text: "Password" followed by an empty password input field.
- Buttons: "Sign in" (blue) and "Cancel" (white with blue border).

Email

To log onto Email from Google Chrome, first log out of any other Gmail account you have open. Go to [Gmail](mailto:mail.google.com) (type in "mail.google.com" in the address bar).

At the Google Sign in type in your full Email address (including @student.stcc.edu) then select

The screenshot shows the Google Sign in page with the following elements:

- Google logo
- Text: "Sign in"
- Text: "to continue to Gmail"
- Text: "Email or phone" followed by an input field containing "xxxxxxx@student.stcc.edu".
- Text: "Forgot email?"
- Text: "Not your computer? Use Guest mode to sign in privately." followed by a "Learn more" link.
- Text: "Create account" and a "Next" button.

next.

If the pop up ADFS window appears, put in your **Username and Password** (not the email address).
