

Located on 35 acres of the Springfield Armory National Historic Site and founded in 1967, Springfield Technical Community College (STCC) is a major resource for the economic vitality of Western Massachusetts. As the only technical community college in Massachusetts, STCC offers a variety of career programs unequaled in the state. Biotechnology, Health Information Technology, IT Security, Optics & Photonics, Mechanical Engineering Technology, Nursing, Respiratory Care, and dozens of other career programs produce potential employees each year. STCC's highly-regarded transfer programs in Business, Engineering, Liberal Arts, Science and Technology continue to provide the most economical option for students pursuing a four-year degree. STCC is an Achieving the Dream Leader College and is one of just three colleges in the Commonwealth designated as a Hispanic Serving Institution. With an annual enrollment of over 7,700 day, evening, weekend and online students STCC is a vibrant campus rich in diversity.
