

Meet the Student Ambassador

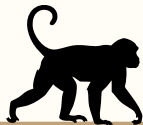

DOMINIC NAVARETTE

ABOUT ME

I have two younger siblings I spend a lot of time caring for. My hobbies include psychology, reading, swimming, volleyball, tennis, and a variety of different games. I have also fought a lifelong battle with Cystic Fibrosis, and one of my goals is to prove that I can make a difference despite the challenges I face.

WHY DID YOU BECOME A STUDENT AMBASSADOR?

I became an ambassador to strengthen my leadership skills by helping my peers and serving as a positive role model. I also want to make a difference in the STCC community and support as many people as I can.
