

Meet the Student Ambassador

JESSICA PHILLIPS

ABOUT ME

I love traveling to National Parks, with Indiana Dunes currently at the top of my list. I'm also a big baseball fan and diehard Red Sox supporter who enjoys visiting MLB stadiums. Outside of sports, I'm a huge horror movie enthusiast, with the 2007 cult classic Trick 'r Treat as my all-time favorite. If you're ever looking for a good horror recommendation, I've got plenty to share!

WHY DID YOU BECOME A STUDENT AMBASSADOR?

I became an ambassador because I enjoy connecting with others and helping build a welcoming, supportive community. This role gives me the chance to share resources and encouragement while also strengthening my leadership skills in something I'm passionate about.
