Who Am I?

I am a student, wife and mom, who loves to cook and take care of her family. I'm also a Sunday school teacher, and an usher for my church. I enjoy volunteering and helping those in need. I love trying new things.

WHY S.A.P?

As an Ambassador, I want to inspire my peers, provide emotional support, and advocate for campus awareness to prove that education can be a welcoming, engaging, supportive and fun!
