

Meet the Student Ambassador

SOPHIA LANDRAU

ABOUT ME

I love animals and enjoy learning about their unique characteristics.

I also like trying all kinds of activities such as building, cooking, baking, and working on cars because I am always eager to learn something new. In my free time, I enjoy watching animal documentaries, a hobby I used to share with my grandmother and still do sometimes today

QUICK FACTS

Major: Biology

Hometown: Springfield, MA

Favorite Color: Forest Green

Favorite Animal: White Tree Frog

OFFICE HOURS

Tuesday

11:00am - 1:00pm

3:00pm - 5:00pm

WHY DID YOU BECOME A STUDENT AMBASSADOR?

I became a student ambassador because I want to engage with and feel more connected to my school community. Last year I felt like I was missing out, and I don't want to make that mistake again. I want to build meaningful and lasting friendships.
