
Meet the SGA Club Liaison

Zoyie Plunkett-Dunkelly

I am a jovial and enthusiastic person with a positive attitude and a strong passion for helping others. I consider myself a people person, and I easily connect with people from diverse backgrounds. In my free time, I enjoy walking in the park, playing soccer, and spending quality time with my family. One fun fact about me is that I love binge-watching TV shows. One of my favorites is Grey's Anatomy.

Why did you choose to join Student Government?

I joined student government to be a positive role model for the student body. My goal is to inspire and motivate others to become the best versions of themselves during their time at STCC. Additionally, I am eager to contribute to enhancing the overall college experience for our student community by ensuring that their voices and opinions are heard and valued.
