Technical Standards Acknowledgement Form
Respiratory Therapy Program

The attached list of Technical Standards has been prepared to assist you in understanding the essential physical and behavioral requirements for participating in and successfully completing the Respiratory Therapy program. These standards must be satisfied by all students in all aspects of the program, with or without a reasonable accommodation, including in the classroom, laboratories, and externship.

Please note that you must carefully review these technical standards. Once reviewed, please complete all of the information below and submit it to Health and Wellness Center (Building 19/Room 177) BY JULY 1. If you are an individual with a documented disability who seeks reasonable accommodation, please contact the Office of Disability Services, Building 19/Room 141, 755-4785, as soon as practical, for information concerning the College’s accommodation process.

Your signature below shall confirm and verify that you have reviewed the program’s Technical Standards and are capable of performing those Standards, with or without a reasonable accommodation. Failure to perform the program’s essential technical standards shall result in a student’s removal from the program.

1. ____________________________________________________________
   Print your full name

2. ____________________________________________________________
   Sign your full name

3. ____________________________________________________________
   Student ID number (found on your acceptance letter)

4. ____________________________________________________________
   Date of signature
