

Technical Standards Acknowledgement Form Dental Hygiene Program

The attached list of Technical Standards has been prepared to assist you in understanding the essential physical and behavioral requirements for participating in and successfully completing the Dental Hygiene program. These standards must be satisfied by all students in all aspects of the program, with or without a reasonable accommodation, including in the classroom, laboratories, and externship.

Please note that you must carefully review these technical standards. Once reviewed, please complete all of the information below and submit it to **HEALTH SERVICES BY JULY 1**. If you are an individual with a disability who seeks reasonable accommodation, please contact the Office of Disability Services, Building 27/2nd Floor, 755-4785 for information concerning the College's accommodation process.

Your signature below shall confirm and verify that you have reviewed the program's technical standards and are capable of performing those standards, with or without a reasonable accommodation. Failure to perform the program's essential technical standards shall result in a student's removal from the program.
